

SUPREME HIERARCHY  
of the  
R. C.  
1858-1917.

Dr. Edward H. Brown  
Salem, Mass.

Dear brother Edward  
and to ALL WHOM THIS MAY CONCERN

It would seem that enemies of the true Rose Cross in its Triple form, and who have no knowledge of the connection between the Rose Cross Order as represented by myself, your Brother Colonius, and the Temple of the Rosy Cross and Brotherhood of Eulis, as represented by yourself, are trying to sow enmity between the brothers, now therefore, I, Reuben Swinburne Clymer, known to the Brotherhood as Colonius, hereby through these letters, in the form, recognize you as Grand Master of the Temple of the Rosy Cross and Hierarch of the Brotherhood of Eulis,

Fraternally given this Second day of January, 1918.

Signed R. Swinburne Clymer

It seemed that R'S.Clymer purchased the books of Dr. P.B.Randolph from his widow and published them under the name the Rosicrucian Fraternity assuming the role of Grand Master, this imposture ~~was~~<sup>349</sup> fraud was brought to his attention by the genuine Master Mr. Brown.
